

SHE IS A GREAT MENTOR

**BECAUSE
SHE IS ALWAYS TRYING
TO GET US INVOLVED**

WITH EVERYTHING

I have been mentored by a particular teacher, who is also our Youth Leadership Through Adventure Leader. She is such a positive and outgoing person, and her positivity really spreads when I'm with her. She is a great mentor because she is always trying to get us involved with everything. Being around somebody with that positive attitude just feels really good, and it really makes a difference with everybody. I feel that it changes everyone's attitudes toward life.
