

SEES GOOD

IN EVERYONE

One teacher who has really impacted me is Mrs. H. She is just such a powerful person, someone who believes and sees good in everyone. She genuinely cares about you, and you can feel it. Mrs. H has changed for the better the way I look at myself and others, and I believe that she demonstrates total equality among her students. As a growing person and future teacher, I find that she is everything I aspire to be. I am genuinely so happy that I have been able to look up to and be mentored by Mrs. H.
